

The 2019 Good & Well Social Impact Internship Program

Good & Well will be running our summer internship program again with several of our portfolio companies. This year, we'll be hiring 18 interns across 9 companies. All internship roles are paid positions running from May 6th - August 23rd in Toronto, Canada.

Please see the individual posting links below for role details and application instructions, and *note that all application deadlines have been extended until Thursday, February 7th at 11:59pm.*
