The Good & Well Internship Program *Young Leaders for a Sustainable Future*

We launched the Good & Well Social Impact Internship Program in 2018 to provide young professionals with career development opportunities within Toronto's social impact ecosystem. Since then, we have hired twenty-nine full time, paid summer interns to work for us and ten of our portfolio companies.

Throughout our summer internship program, Good & Well provides participants with opportunities to work with dynamic, high-potential social ventures as well as to learn from and network with professionals working within the social impact ecosystem in Toronto.

Good & Well and seven of our portfolio companies are hiring fourteen interns this summer. In addition to working for their host company, successful candidates will have opportunities to learn from and network with professionals working within the social venture ecosystem.

We are looking for students who:

- Are curious, collaborative and highly capable self-starters

- Believe that business has a critical role to play in solving today's greatest social and environmental challenges
- Are excited to bring humanity, energy and integrity to their work
- Are currently completing their 3rd or 4th year of post-secondary studies

When applying to the Good & Well Social Impact Internship, we will ask you to identify the one to three opportunities you are most interested in from the below list. To learn more about any role, click on the title.
